in the restaurant - between 8am and 3pm

there's no special menu, it's just a table in the restaurant with everyone else.

in the restaurant - after hours

FACNY: the minimum spend of an after hours event is \$2500 and this goes towards food and beverage. we can cater either canapes or platters.

book the private room

we have a cool little room that opens up off the side of the eatery. this is available for hire. it comes with a minimum spend of \$250 which covers two hours, the \$250 goes towards anything from this attached catering menu. this is charged before the event. we also charge a \$250 refundable bond before the event. bookings are for two hours from 10am or 1pm or can be all day from 10am till 3pm.

NO CONFETTI. EVER

zoo entry

the private room opens up with big sliding doors directly onto a massive playground. we can only open this door if **all guests** regardless if they are going to the zoo or not, have paid for entry. you can purchase and pay for your tickets here; <https://hamiltonzoo.co.nz/buy-tickets/> we can arrange tickets but this needs to be at the time of the reservation.

i just want to use the room and bring our own food?

besides cakes, we do not allow the consumption of outside food in our venue.

cakes, cakes - whos got the cakes?

you are more than welcome to bring your own cake, we will provide plates and cutlery. as we do not make them, there is no plating fee. we recommend Chrissy Cakes located in Hamilton CBD but get your order in early.

decorating the space

this applies to the private room only - you are more than welcome to decorate the space as you see fit up to 30 minutes before your booking time.

how many people can we bring?

have a chat with our team. different spaces cater to different sized groups. the private room fits 30 standing or 24 seated if the doors to the zoo are closed. if zoo entry has been paid, 100+ can easily spill out into the playground area.

refundable bond

before finalising your booking, the team at Everyday Eatery may choose to impose a refundable bond of up to \$1000 depending on the size of the group.

when is a bond not refundable

if an event is canceled within 72 hours of the scheduled date, Everyday Eatery reserves the right to deduct some or all of the bond to cover the wasted food / loss of income, when guests break any of the rules set out by the zoo or Everyday Eatery, when damage occurs to property owned by us or the zoo.
